Hi Monica...is this the same Monica that we have just helped to get in to ASOS.com...just wanted to say how well you have done. You really should start flying now you have such an important account open.

Thanks for commenting on the site...here's a secret for you to share!

We have now started to relaunch some of the graphics on FashionCapital - its going to be bigger than ever before. We are currently ranked 11th in the world now for the word "fashion" on Google but we are not going to stop there!

Thanks for taking the time to put up a posting and it's great to work with you

Regards
