Dear All,

I am a designer with my own sampling unit in South Wimbledon, London. Due to numerous requests I have recently opened up my studio and started making samples and small production runs for other fellow designers.

I have a full time seamstress, Karen, working with me and I can make your patterns or assist and guide you through them.

We charge Ã,Â£18/h for cutting and sewing, pattern making per pattern.

I am listed on Fashion Capitals Online Manufacturer's Showroom, where you can find more information and imagery of work done in my sampling unit.

My sampling unit has no order minimums, and as a designer I understand your requirements completely.

Looking forward to hearing from you.

Very best,

Catharina Eden
