
hand finisher/beader/ courtist

Posted by mmartin8 - 2007/07/30 11:58

Im a fashion designer looking for extra work in hand finishing for womens wear garments. I have a degree in textiles, im presently working in bridal and couture as a design assistant in womenswear and am looking for additional freelance work.Im very good and experienced in hand finishings and couture work of any kind.Im only available for outwork on a freelance basis. Please do contact me should any work becomes available.

Thanks,
Marie

hi!

I know of someone who designs and produces stunning beaded necklaces from scratch, they are truly amazing! Please get in touch with your requirements and perhaps you'll find just what you've been after!

I myself design hand painted necklaces, bangles and earrings...if this is of any interest let me know!
