Hi I'm Sandesh from India and I'm a textile engineer. I saw your comment and I'm 100 % agreed with you.

That was quick Sandesh...I am Andrea and I design ladieswear clothes plus do modelling when I need to earn extra dosh.

Have you got an Ecommerce webstie on here yet? You shoud do if you are making your own garments from India. Some of my garments are in Fashion Enters (associated company to fashion capital) store in Croydon and it sells well.

Give it a go you will never know otherwise.

Be lucky
