Hi Michelle,

You have some really lovely things in your shop and can see how much work you've put into your site. Do you just buy in stock or do you design items for your shop also? If not maybe you should consider as you have a clear eye for buying and your store is a resounding success why not take things a step further and really personalise your place. Once you have started designing and making your own pieces you should then consider joining Fashion Capital who can really help propel your business to greater heights of success.

We can help increase your exposure via our 5.5million hits every month from over 60,000 unique users on www.fashioncapital.co.uk which is currently ranked 8 on Google for a worldwide search on the wording "fashion". We also offer a variety of services such as the PR Dispensary and Representing Agency which comprises of creating a flyer in the Agency service or a professional Press Release for an additional price however at a fraction of the cost other Agencies offer.

We also provide a succession of showcasing outlets both physically and online. Two retail Boutique's are available to stock in and two online boutique's are available, one of which consists of stock purely sold in Enter Boutique and the other, FC Boutique is via www.fashioncapital.co.uk making use of our constant high volume of core industry user traffic which you can upload and edit your own products at will saving you all the time, hassle and financial struggle of setting up your own.

If you would like any more information regarding membership fees and the services we offer then please do not hesitate to contact me on either emily@fashioncapital.co.uk or 020 8681 5014.

I look forward to hearing from you,

Kind Regards

Emily
