
STREET FASHION PHOTOGRAPHERS

Posted by styleimages - 2008/07/04 12:33

We are currently looking for freelance street style photographers around the world, including those based in either London, Paris, Tokyo and New York.

This is fun and exciting work most suited to a confident person with an interest in fashion trends.

Please send some information about yourself and a couple of examples of your work to styleimages@googlemail.com
