
Fashion Designer looking for photographer

Posted by afrochique1 - 2008/07/07 14:00

Hi all,
I'm a fashion designer and make up artist looking for a photographer for a make up photo shoot and fashion shoot. I have very little budget so think it'll be a good opportunity for the right person to build up there portfolio in return for providing their services free of charge!

If interested please email me at:
janicemorrison@hotmail.co.uk

Kind Regards

Afrochique
