
Work experience photographer for fashion shows

Posted by NubianRootsCouture - 2008/07/07 21:42

Hi

I'm looking for a work experience student to come and be a fashion photographer. I'm looking for someone who is reliable and able to be versatile with capturing images. I would need a photographer to come and attend all fashion shows scheduled for Nubian Roots Couture. The next show Nubian Roots Couture is doing is "The style Me Up Launch party" so your skills would be needed on that day if successful.

If you feel you are suited to do this work experience with Nubian Roots Couture, send me your resume and experience to: nubian-roots@hotmail.co.uk

Thanks

Danielle
