
part time seamstress

Posted by catharinaeden - 2008/07/08 15:45

Hello,

I'm looking for a part time machinist who has extensive experience in sewing delicate fabrics and garments with great detail to come and work in my studio in South Wimbledon.

If you are this person or know of someone please contact me via email on info@catharina.co.uk for further information.

Many thanks,

Catharina
