I am looking for a supplier of pleated fabrics especially in transparent textiles. Can anyone make a recommendation?

If not can anyone recommend a place that pleats fabrics?

Cheers,

Hi Gerry,

Have you tried using the Manufacturer's Online Showroom? This is a quick and easy to use filter system provided to help designers find the perfect manufacturer that best suits your requirements. All you need to do is type in your requirement specifications and then hit "submit" and a list of UK based manufacturers complete with contact details and images of examples of previous work will appear ready for you to contact. Let me know how you get on and if you are still having difficulty we will look further for you.

Good Luck!

Kind Regards

Emily

Thanks Emily,

I searched carefully through the data base and did find manufacturers, thank you.

I am still having trouble finding pre-pleated fabrics or trims so if you have any leads please let me know.

Thanks bunches,

Gerry

Hi Gerry,

One of our designers has just recommended you try Dalston Mills Fabrics on 020 7249 4129, they should be able to help you out.

Good luck and let us know how you get on!

Kind Regards

Hi Emily,

I went and looked at Dalston Mills and they didn't really have anything like that. They had some nice things but they are not wholesalers so their prices were pretty high. Thanks anyway. The closest I could find were some things at Fucotex from Germany. I guess this is a good reason to try to make it to Premier Vision. Are there any good fabric shows in London?

Thanks bunches,

Gerry

Thank you, thank you! That's very helpful as my next step was to ask about pleaters.
