Hi its not that easy!!

We can help in lots of ways if you are a full member to Fashion Enter Ltd and www.fashioncaptial.co.uk. We have our own boutiques too so you can have stockists tomorrow!

We also do events and on November 19th at the Islington Business Design Centre we can help you showcase your garmetns and collections at this prestigious location to press and buyers.

To apply for this see the box on the home page of www.fashioncaptial.co.uk and click Profile at fashionexpo and apply today. Its only Ã,Â£225 plus VAT but you need to hurry as places are very limited.

Regards
