
Hat Designer Student/Recent Graduat

Posted by apples26 - 2005/12/06 12:43

Hi I'm a new designer starting a BridalWear and Special Occasionwear company, I'm looking for a talented hat designer to create some beautiful veils and other types of headwear to complement my collection. The individual must be motivated and highly creative. It would be an excellent opportunity, and brilliant exposure for the right person, as will we use the hats and veils for the 2007 Uk Wedding Show.

If interested please ring Dawn on - 0777-9067-357
