
Products manager (shoes)

Posted by prolink - 2004/05/12 10:31

Our client is the brand reader in UK Marine market based near Bath. They are looking for a committed Product Manager who can brief designers in existing and new product areas, develop their ideas with suppliers and help manage them through the business.

You could be an experienced buyer with product flair or a good product manager.

Please forward your CV with salary expectation to Kaye O'Brien
020 8306 8888 or e-mail kaye.obrien@prolink-europe.com
